Loan Processing Inquiry

Select one of the following:
- [Main Ribbon > Inquiry > Loan Processing].
- Alt + I > Loan Processing.
- Right click on loan > Loan Processing Inquiry.

The Loan Processing Inquiry option is used to view and print or view a summary of the most pertinent information about a specific loan.

Enter a valid account number then press enter or click on Go. If the account number is not known, click on the magnifying glass to the right of the Account field to search for the account number.

The system displays.
