

## Notice of Right to Cancel Wizard

Select [[Member Ribbon > Lending > Notice of Right to Cancel](#)]. The Notice of Right to Cancel Wizard is used to print a Notice of Right to Cancel loan document.

Prior to printing a Notice of Right to Cancel document, the PDF must be setup under [[Main Ribbon > System Settings > PDFs](#)]. (See PDFs chapter in the System Settings Manual.)

The system displays.

Select the document to be printed then select the **Preview** button in the lower right corner. The PDF will be displayed. The data for the mapped fields will be filled in. Enter any missing information in the blank fields, if applicable. Select the printer icon on the PDF window to print the document, if needed.
